### Wismilak Inaugurates Filter Division Office Block, Strengthening Operational Efficiency

Surabaya, 27 January 2027 – PT Wismilak Inti Makmur Tbk (the “Company”) officially inaugurated the Filter Division Office Block located at Jl. Buntaran No. 18 as part of the Company’s efforts to strengthen operational efficiency, centralize work functions, enhance cross-division collaboration, and support the sustainable growth of the Filter Division’s business.

The Filter Division Office Block was constructed on a land area of approximately  $\pm 1.080 \text{ m}^2$  with a total building area of approximately  $\pm 1.872 \text{ m}^2$ , consisting of two (2) floors. This facility serves as the central office for the Filter Division, accommodating, among others, Quality Control (QC), Research & Development (R&D), Production Planning & Control (PPC), Finance & Accounting, as well as other operational support functions.

Director of PT Wismilak Inti Makmur Tbk, Krisna Tanimihardja, stated that the inauguration of the Filter Division Office Block was carried out to provide more integrated working facilities and to align with the Company’s operational needs in line with the development of its business activities. The facility is expected to support improvements in the Company’s operational efficiency going forward.

This information disclosure is submitted in accordance with Financial Services Authority Regulation (POJK) [No. 31/POJK.04/2015](#) concerning the Disclosure of Material Information or Facts by Issuers or Public Companies.

Thus, we hereby submit this information disclosure.
